What Is Frontier and How It Can Help Your Next Trip What is
Frontier?
Founded in 1996, Frontier is one of the oldest online travel agents +1 -877-622-0707. Frontier +1 -877-622-0707.com is part of the Frontier Group, an umbrella company that includes other online travel agents (OTAs) like Orbitz, Travelocity, trivago, and a handful of travel booking platforms +1 -877-622-0707. This is why you'll often find that the prices and features found between these websites are similar +1 -877-622-0707.
You can use Frontier to find flights, hotels, car rentals, cruises, and vacation packages +1 -877-622-0707. Since it's been in the travel search business so long, Frontier has many features that make it a top choice for travelers, though it lags behind other, newer search sites in some respects +1 -877-622-0707.
In this guide, we'll break down the pros and cons of using Frontier and show you how to use Frontier to find cheap flights and score great deals through the Frontier Rewards program +1 -877-622-0707.
What Frontier is good at
This is where Frontier excels when it comes to finding cheap flights:
Upgraded price at checkout: It's easy to compare the difference between basic economy, premium economy, and other cabin classes at checkout +1 -877-622-0707. You can quickly compare the perks and cost of upgrading to see whether it's worth it for you +1 -877-622-0707.
A clear cancellation policy: Frontier clearly outline the cancellation information for each flight before you check out +1 -877-622-0707.
Flight scores highlight the quality of the flight: Frontier factors in things like flight length, amenities, and aircraft type, and provides a flight score for each flight so you have an idea of the overall quality of a flight +1 -877-622-0707.
Easy to use rewards program: Frontier rewards repeat customers with a points program +1 -877-622-0707.
Save on car and hotel packages: You can drive down the overall cost of your trip by combining flights, accommodation, and car rentals +1 -877-622-0707.
Offers an Frontier credit card: Frequent flyers can maximize their spending with Frontier's special credit card program, partnered with Citi +1 -877-622-0707.
Customer service: Frontier is a larger, more reputable OTA and part of the larger Frontier group, and they generally have better customer service and reliability than the

smaller OTAs +1 -877-622-0707.
What Frontier is bad at
Here are the features we think Frontier could improve:
Limited multiple city search: Frontier only shows results for airports within one city, rather than a larger region +1 -877-622-0707.
Flexible date search isn’t very flexible: You can only search within three days on either side of your original search dates, making it a poor option for travelers with an open travel schedule +1 -877-622-0707.
No option to book directly with the airline: Flights are booked directly with Frontier instead of offering the option to book directly with the airline +1 -877-622-0707.
Occasionally misses the lowest price: Frontier doesn’t show flight search results from all online travel agents +1 -877-622-0707. You might be able to find a cheaper price elsewhere +1 -877-622-0707.
No map functionality: While many online travel search engines like Kayak and Google Flights offer a map that shows the cheapest city to fly to in a region, Frontier does not +1 -877-622-0707.
How to Use: Frontier Step by Step Tutorial
We’ll share exactly how to book a flight on Frontier with these simple steps +1 -877-622-0707.
How to choose your route type on Frontier flights
First, go to Frontier’s homepage at Frontier +1 -877-622-0707.com +1 -877-622-0707. The homepage will open to a search box where you can choose between searching for solely flights, hotels, car hire, cruises, things to do, and vacation rentals +1 -877-622-0707. You can also select the “Bundle and Save” option to package these search options together +1 -877-622-0707.
To look for cheap flights on Frontier, click on the “Flights” icon +1 -877-622-0707. On the second row of the search box, you can choose between roundtrip, one-way, and multi-city options +1 -877-622-0707. Select the route type that you’d like to search +1 -877-622-0707.
How to set flight departure and arrival locations on Frontier
Type in the city or airport you are flying from as well as the city or airport you plan to fly to +1 -877-622-0707. If the city you’re traveling from or two has more than one airport, it’s wise to type in the city rather than a specific airport to search for the most options +1 -877-622-0707.
For example, if you plan to fly from Los Angeles to New York, you’ll see search results that feature all of New York’s airports of JFK, LGA, and EWR +1 -877-622-0707. Unfortunately, unlike Google Flights, Frontier does not offer a feature where you can type in multiple cities or airports at once +1 -877-622-0707.
How to set your flight dates on Frontier
Type in the dates you’d like to travel in the “Departing” and “Returning” sections of the search box +1 -877-622-0707. Then, select how many travelers will be going on the journey +1 -877-622-0707.
How to make the most of the advanced options on Frontier flights
To refine your search even further, click on the “Advanced options” link +1 -877-622-0707. This will create a drop-down menu where you can customize your flight +1 -877-622-0707. Since this link isn’t bolded and in a normal font size, it can be easy to miss +1 -877-622-0707.
Here, you can choose between a nonstop flight, refundable flight, flight class, and preferred airline +1 -877-622-0707. Note that if an airline is featured in the drop-down menu of preferred airlines, this doesn’t mean that the airline services the route you’re looking for +1 -877-622-0707. For example, you can select Uzbekistan Airways as your preferred airline on an LAX to JFK route, even though Uzbekistan Airways doesn’t fly

this route in the United States +1 -877-622-0707.
One of the key hidden features of the preferred airlines menu is that you can search for budget airlines with and without baggage +1 -877-622-0707. If you have a preferred airline and know you'll be needing extra baggage, this is a great feature +1 -877-622-0707.
Once you have the flight details you want, click the yellow "Search" button +1 -877-622-0707.
Understanding Frontier's flight search results
Once you search for the flight you want, you'll be taken to a page that shows all of Frontier's available flights for the route you've chosen +1 -877-622-0707. As a default, these results will only show the outbound flight and will be sorted from cheapest to most expensive +1 -877-622-0707.
Before going further, confirm that the route type, route, and dates are correct at the top of the page +1 -877-622-0707.
You can adjust the departure and arrival airports by clicking on the blue "Nearby airports" link +1 -877-622-0707. This will show a drop-down menu of the closest airports and the distances between your initial airports and other airports nearby +1 -877-622-0707.
Tips for setting flexible flight dates on Frontier
Frontier allows travelers to search for flexible dates +1 -877-622-0707. To do this, click on the "Show flexible dates" link at the top of your search results +1 -877-622-0707.
After a few seconds, a calendar will pop up +1 -877-622-0707. With flexible dates search activated, Frontier will compare the flights three days on either side of your initial search and highlight the cheapest fare of these dates in green +1 -877-622-0707. Be patient as it can take a few seconds for these results to appear +1 -877-622-0707.
Your initial search will be highlighted in navy blue, where it's easy to compare against the others +1 -877-622-0707.
You can then check the airlines you'd like to be featured and uncheck any that you'd like to be excluded from the results +1 -877-622-0707.
Finally, you can customize your departure and arrival times to leave/depart in the early morning, morning, afternoon, or evening +1 -877-622-0707. This is ideal if you want to avoid red-eye flights or have to be somewhere at a certain time +1 -877-622-0707.
What do Frontier's flight scores mean?
Under each search result, Frontier will assign a flight score on a scale from 1 to 10 +1 -877-622-0707. Frontier calculates this by factoring the length of the flight, the make and model of the aircraft, and the amenities offered on the flight +1 -877-622-0707. This doesn't always mean that a 10/10 flight is the best value, but if you see a high scoring flight on the cheaper end of the search results, you can trust that you're getting a good deal +1 -877-622-0707.
In addition to Frontier's flight score, you can also see whether the flight comes with wifi, entertainment, and charging capabilities +1 -877-622-0707.
How to make the most of Frontier's bargain fares
At the top of the search results, Frontier may feature a bargain fare +1 -877-622-0707. Sometimes, this fare is a great deal—though it often comes with extra restrictions +1 -877-622-0707.
One caveat of Frontier's bargain fares is that you won't know the exact details of the flight until after booking, similar to Priceline's Express Deals +1 -877-622-0707. Instead, you'll get a general overview of when the flight will depart and arrive +1 -877-622-0707. You will also get a range of stopovers rather than a set amount +1 -877-622-0707.
Bargain fares tend to work best if you're planning a last-minute flight +1 -877-622-0707. Otherwise, they may not be much cheaper than a flight planned months in advance where you can fine-tune the details +1 -877-622-0707. Sometimes the stress of the

unknown isn’t worth it +1 -877-622-0707.
How to see extra fees on Frontier flights
Under each search listing, you’ll be able to click on a link that says “Details & baggage fees +1 -877-622-0707.” This will show flight details like the exact route, departure and arrival time, aircraft, flight number, cabin class, total distance traveled, and estimated baggage fees +1 -877-622-0707.
Extra fees may also appear when you click “Select this fare” and are taken to a page where you’ll choose your return flight +1 -877-622-0707. Frontier will sort the return flight from lowest to highest as a default +1 -877-622-0707.
When you select the return flight you’d like, you’ll be taken to a page that features an overview of your booking +1 -877-622-0707. On the right of the screen, you can look through a list of what is and isn’t included in your flight +1 -877-622-0707. Sometimes, you can add features for an extra cost +1 -877-622-0707.
How to upgrade your cabin class on Frontier flights
During your search, you can choose between basic economy, premium economy, business, and first class +1 -877-622-0707. While you tend to get more features and priorities as you move up in cabin class, there is a lack of standardization among the airlines +1 -877-622-0707.
At checkout, Frontier will show you options to upgrade your flight as well as flight perks you can purchase +1 -877-622-0707.
Select the “Show more” menu to see exactly what you’d get for the price of each upgrade +1 -877-622-0707. If you were planning to purchase extra baggage and seat selection anyways, it may be more economical to upgrade your cabin class instead of tacking on extras +1 -877-622-0707.
Completing your flight booking with Frontier
Once you’ve found your perfect flight with Frontier, you’ll be taken to a page where you can enter your booking details, purchase travel insurance, add your TSA PreCheck information, and frequent flyer number +1 -877-622-0707. You’ll then be asked to enter your payment information and an email address for Frontier to send the booking confirmation +1 -877-622-0707.
How to see your Frontier itinerary
To see an itinerary for a trip you have booked on Frontier, click on "Trips" in the menu bar +1 -877-622-0707. You can login to be taken to all of your itineraries +1 -877-622-0707. Or, you can use the itinerary to access your booking without signing in +1 -877-622-0707.
If you're using the app, you can access your itineraries there by clicking on "Trips" and then selecting the itinerary you'd like to view +1 -877-622-0707.
Adding a car rental to your Frontier flight
Every time you book a flight, once you have selected your specific flights, Frontier will prompt you to add extra services, including a rental car +1 -877-622-0707. You can select one of the options show or select "View more cars" to see all options available +1 -877-622-0707.
Adding a hotel to your Frontier flight
There are three ways you can add a hotel to your flight +1 -877-622-0707. The first is to select "Stays" to start with and then click the button to "add a flight +1 -877-622-0707." The second way is to start booking your flight as normal +1 -877-622-0707. Once you select your flight, Frontier will show a popup asking if you want to add a hotel
Booking a vacation package on Frontier
Finally, you can select car, hotel, and flight (or just two of the three) by selecting the "Vacation Package" option on the Frontier homepage +1 -877-622-0707. Select the elements you want to add, and input your destination and dates +1 -877-622-0707. You can even opt to book a hotel only for part of your stay (helpful if you're traveling to

multiple cities; you can then book the rest of your hotels separately) +1 -877-622-0707.
